Tues, Wed, & Thurs: March 8<sup>th</sup>, 9<sup>th</sup>, & 10<sup>th</sup>

Sign up now – This seminar will fill up quickly!

### REGISTRATION REQUIRED

Limit 3 attendees per company.

Priority will be given to individuals who *have not* attended a HySecurity Tech Training within the last two years.

HySecurity hosts this intensive, hands-on, THREE day technical training seminar on March 8 - 10 at our manufacturing plant in Kent, WA (near Seattle-Tacoma airport). The training will include slide, swing, barrier arm, and vertical lift operator installation, troubleshooting and maintenance through lecture, Q&A, and extensive hands on training. Attendees leave with significant confidence and skills in technically supporting, maintaining, and installing HySecurity's premium gate operators.

Training starts at 8:00 AM, Tuesday, March 8 and ends at 4:30 PM, Thursday, March 10. Please do not book returning flights earlier than 6:30 PM on March 10 as you will be required to attend the entire training to receive your certificate of attendance. For your convenience, we have reserved a block of rooms at a hotel near our manufacturing facility. The cost to you is \$85 per night. HySecurity provides transportation between the hotel and HySecurity, continental breakfasts, lunches, and Tuesday night's dinner.

The following topics will be covered at this three day event. All students are asked to attend ALL courses (unless otherwise noted).

#### Classroom Seminar Classes

- Smart Touch & Smart DC Operator Family
- Common Parts and Functions
- Loops and Detectors
