## FALL '07 TECH TRAINING

### DISTRIBUTOR / DEALER / END USER

Monday, Tuesday, & Wednesday: November 5th – 7th, 2007

(Please post and circulate)

**RSVP quickly to guarantee your seat – this training will fill up**

***To reserve your place please complete and return page 2 of this announcement.  
RSVP REQUIRED***

HySecurity hosts this intensive, hands-on, THREE day technical training seminar on November 5<sup>th</sup> – 7<sup>th</sup> at our manufacturing plant in Kent, WA (near Seattle-Tacoma airport). The training will include slide, swing, barrier arm, and vertical lift operator installation, troubleshooting and maintenance through lecture, Q&A, and extensive hands on training. We pack the seminar, making it very interesting and extremely informative. Attendees leave with significant confidence and skills in technically supporting, maintaining, and installing HySecurity's premium operators.

Training starts at 8:00 AM, Monday, November 5<sup>th</sup> and ends at 5:00 PM, Wednesday, November 7<sup>th</sup>. For your convenience, we have

reserved a block of rooms at a hotel near our manufacturing plant. The cost to you is \$85 per night. HySecurity provides transportation between the hotel and plant, continental breakfasts, lunches, and Tuesday night's dinner.

Remember, this is a mostly hands on event. You will learn the guts of HySecurity's operators and a variety of diagnostics to quickly and successfully maintain operators in the field. Space is limited to 80 attendees so RSVP early to reserve your spot at this free seminar. Complete page 2 of this announcement and fax back to 888-321-9946 to join us for a greatly entertaining, thoroughly involving, and powerfully skill building technical training seminar!
