

# Spring '10 Tech Training

## Distributor • Dealer • Installer • End User

Tues, Wed, & Thurs: March 9<sup>th</sup>, 10<sup>th</sup>, & 11<sup>th</sup>

Sign up now – This seminar will fill up quickly!

### REGISTRATION REQUIRED

Limit 3 attendees per company.

Priority will be given to individuals who *have not* attended a HySecurity Tech Training within the last two years.

HySecurity hosts this intensive, hands-on, THREE day technical training seminar on March 9 – 11 at our manufacturing plant in Kent, WA (near Seattle-Tacoma airport). The training will include slide, swing, barrier arm, and vertical lift operator installation, troubleshooting and maintenance through lecture, Q&A, and extensive hands on training. Attendees leave with significant confidence and skills in technically supporting, maintaining, and installing HySecurity's premium gate operators.

Training starts at 8:00 AM, Tuesday, March 9 and ends at 5:00 PM, Thursday, March 11. Please do not book returning flights earlier than 7:00 PM on March 11 as you will be required to attend the entire training to receive your certificate of attendance. For your convenience, we have reserved a block of rooms at a hotel near our manufacturing facility. The cost to you is \$79 per night. HySecurity provides transportation between the hotel and HySecurity, continental breakfasts, lunches, and Tuesday night's dinner.

Space is limited. Register early to reserve your spot at this free seminar. Please follow the registration instructions on page 2 to sign up.

### Specialized Training: *In-Depth Troubleshooting OR Technical Sales & Specifications*

During Tech Training, the class will split into two groups for a ½ day dedicated, intensive training session in one of these two areas: *In-Depth Troubleshooting OR Technical Sales & Specifications*. To ensure that you receive training that is most valuable to you, please indicate on the Registration Form which ONE topic best corresponds with your job responsibilities.

### Introducing. . . SlideSmart DC

Scheduled to launch in May 2010, *SlideSmart DC* joins *SwingSmart DC* to make up the electromechanical *Smart DC* gate operator product line. The *Smart DC* line provides simple residential and commercial solutions at a competitive price. Learn everything you need to know about these easy to install, ultra reliable, and highly profitable operators.

# REGISTRATION FORM

HySecurity Tech Training  
March 9 - 11, 2010
